

Installation Management Command (IMCOM)
ARMY TRAFFIC SAFETY TRAINING PROGRAM (ATSTP)

1. **PURPOSE:** The intent of the Army Traffic Safety Training Program (ATSTP) is to meet the regulatory requirements for drivers training as identified in DODI 6055.4, AR 600-55, The Army Driver and Operator Standardization Program and AR 385-10, The Army Safety Program.
2. **COURSE DESCRIPTION:** The Army Traffic Safety Training Program (ATSTP) is an over-arching program that consists of the following programs: **Basic and Experienced Motorcycle Courses, Intermediate Drivers Training, Motorcycle Sport Bike Rider Course, and Driver Improvement Training.**
3. **LOCATION:** Motorcycle range near Bldg. 399.
4. **REQUIREMENT:** Successful completion of the Army Traffic Safety Training Program is required for all Soldiers under 26 years of age.
 - a. All Soldiers less than 26 years of age will receive Intermediate Drivers safety training when newly assigned to an Army installation.
 - b. All Soldiers owning or operating a motorcycle, whether on or off-post, are required to complete the Basic and Experienced Rider Course.
5. **ENROLLMENT:** Military Training NCO coordinates enrollment with the Installation Safety Office. Students may register online for ATSTP training at https://apps.imcom.army.mil/AIRS/usg_disclaimer.aspx
6. **INFORMATION:** Call Installation Safety Office, at 707-2560
7. **SCHEDULE:** Call Installation Safety Office, at 707-2560

Note: All students and their supervisors will receive electronic confirmation from the IMCOM ATSTP registration service that will validate course completion. **This confirmation message will be issued/distributed by IMCOM and it will be the responsibility of each student to give a copy to his/her Training Coordinator.**

To register for courses, click on “View Available Courses.” On the following screen, use the “Region” drop down menu and select **“Southeast”**. Then using the “Garrison” drop down menu select “Fort Buchanan”. After selecting the garrison you will be presented with a current monthly schedule of all courses for the installation. Look at the calendar below to see the courses offered by date and click the date you want. Fill in the student application form. Form submission generates an automatic email back to the student and their designated supervisor notifying them of the registration status. Upon completion of the course the student is marked in AIRS as completed, failed, or no show. Another email is automatically generated notifying the student and supervisor of the final status.
